Objective

Aspiring digital designer with a strong foundation in visual design principles and hands-on experience through academic projects and internships. Proficient in Adobe illustrator, Adobe Indesign, and web design tools, with a passion for UI/UX design and creating intuitive, user-friendly digital experiences. Eager to apply creative problem-solving and technical skills to contribute to a forward-thinking design team, while continuing to grow and learn in the field of digital design. Seeking an opportunity to gain real-world experience and develop innovative solutions that enhance user engagement.
